Vote on the Questions

Voto en la Preguntas

1. “Shall the Constitution of the State be amended to permit the General Assembly to allow each voter to vote by absentee ballot?”

1. “¿Debería enmendarse la Constitución estatal para permitir que la Asamblea General permita a cada votante votar en ausencia?”

YES/SI  NO/NO

Currently under the Connecticut state constitution, only voters who are unable to vote in person at their polling place due to (1) absence from their city or town, (2) sickness or physical disability, or (3) their religious beliefs prohibiting secular activity on that day, can vote by absentee.

This year, the ballot will have a proposed amendment – if the majority of voters vote “yes” it would allow the CT legislature to pass laws to allow “no excuse” absentee voting for all voters!
