

# OUR CITY, OUR FUTURE

A vision for a Cleveland that works for all of us

OHIO WORKING FAMILIES PARTY

**AN AFFORDABLE CITY**

# LOWER HOUSING COSTS. KEEP CLEVELAND **LIVABLE.**

Cap tax breaks — no more giveaways to luxury developers.

Help seniors stay in their homes.

Try new, low-cost home building & repair programs so working people can actually buy a home.

Expand community land trusts keep neighborhoods stable and out of the hands of speculators.

# RENTERS DESERVE **POWER**, NOT JUST A LEASE.

Stronger tenant protections—no more evictions without cause.

Stop out-of-state LLCs from buying up our neighborhoods.

Hold landlords accountable — enforce housing codes.

Support ethical landlords who do right by tenants.

**A SAFE CITY**

# INVEST IN **PREVENTION**, NOT HARM.

- 🛑 Fund real community safety — violence prevention, mental health, youth programs.
- 📦 Pass Tanisha's Law — implement a citywide, non-police crisis response program.
- 💰 Redirect funds to care-based and community-based safety programs.

**A HEALTHY CITY**

# SAFE HOMES. **HEALTHY** FOOD. **THRIVING** NEIGHBORHOODS.

Make every home lead-safe. No more poisoned kids.

No more food deserts - invest in community gardens and fresh food access.

Support co-governance models for food policy.

**A RESPONSIVE CITY**

# STRONG CITIES RESPOND TO THE PEOPLE THEY SERVE.

-  Fix city services so they actually respond to residents.
-  Snow removal with efficiency and clear communication for safe and accessible neighborhoods.
-  Promptly repair broken street lights to ensure public safety, visibility, and security.
-  Maintain regular grass mowing to keep public spaces clean, safe, and welcoming.

**A MOBILE CITY**

# CLEVELAND TRANSPORT SHOULD BE **CHEAP, SAFE, AND RELIABLE**

Fare capping — make transit more affordable for those who have the least.

Better bus stops — shelters, maps, pads, heating, scheduling, and snow clearance for all stops.

Resident safety — more equitable speed table distribution.

Streets for people — prioritize buses, bikes, and pedestrians, not cars.
