LOWER HOUSING COSTS. KEEP CLEVELAND **LIVABLE.**

 Help seniors stay in their homes.

 Try new, low-cost home building so working people can actually buy a home.

RENTERS DESERVE **POWER**, NOT JUST A LEASE.

-  Stronger tenant protections—no more evictions without cause.
-  Stop out-of-state LLCs from buying up our neighborhoods.
-  Hold landlords accountable — enforce housing codes and kick the negligent ones to the curb.
-  Support ethical landlords who do right by tenants.

BASIC SERVICES **SHOULDN'T** BREAK THE BANK.

-  Reduced public transit fare — because getting to work shouldn't cost half your paycheck.
-  Lower energy bills — Cleveland Public Power should work for us, not corporations.
-  Real help for families struggling with utility costs.
-  Conservation programs to cut waste and save money.

AN OPPORTUNITY CITY

CLEVELAND SHOULD WORK FOR **WORKERS.**

Keep college free with Say Yes to Cleveland.

More union apprenticeships & job training.

Living wages, no exceptions. Every job in Cleveland should pay a fair wage.

Support **union organizing** to give workers a real voice

Welcome **immigrants** — our city thrives on diversity.

Developers don't get tax breaks unless they **create good jobs** for **Clevelanders.**

A HEALTHY CITY

SAFE HOMES. HEALTHY FOOD. THRIVING NEIGHBORHOODS.

-  **Make every home lead-safe. No more poisoned kids.**
-  **Fund real community safety — violence prevention, mental health, youth programs.**
-  **No more food deserts. Invest in community gardens and fresh food access.**
-  **Parks, playgrounds, and walkable streets — every neighborhood deserves them.**

A RESPONSIVE CITY

CLEVELAND BELONGS TO THE PEOPLE, NOT POLITICIANS.

-  Fix city services so they actually respond to residents.
-  No more backroom deals—we need transparency and participatory budgeting.
-  Boost voter turnout—our voices should set the agenda.
-  Get big money out of local politics with campaign finance reform.
